This year a new dimension has also been added to the English department. Advanced Composition, Creative Writing, The Novel, Short Story, Modern Media, and Contemporary Poetry and Drama, are some of the new semester courses.

English is the most vital course of our high school years. It is the basic element of all our other classes. We would be unable to communicate our thoughts and ideas without English.

Our English teachers work hard to teach us the essentials which we will need for the remainder of our lives.

Drafting, metal work, power mechanics, and carpentry were different areas studied by the shop classes. Boys in the power mechanics division worked on cars which were brought, while furniture was made in the carpentry classes.

The agriculture classes learned that there was more to farming than the field work. The students learned about the book work which goes along with farming.

Several different Home Ec. classes were added because of the semester system this year. Besides cooking and sewing, child development, home management, and family living were offered.

This year, boys were also able to take Home Ec. They made ties and, in doing so, learned how to use a sewing machine. They also had a unit in cooking and enjoyed learning to make pies, casseroles, cookies, and candy.

These classes help the students to express themselves in all areas of life and to learn better ways to help the community.

Counseling is an important service in any high school. Junior and senior high students turned to Mr. Kappler and Mr. Haustein for help with their questions and problems. They were constantly busy, helping the seniors plan their futures, scheduling tests, and listening to students' problems. These men have been worthwhile and helpful in attempting to bridge the gap between teachers and students.

This year the math department tried an individual approach to fit the needs of all the students. The junior high had learning packets which allow them to progress at their own speed. This leaves the teachers free to assist the students who need help the most.

The senior high had two excellent math teachers. Besides teaching advanced math and consumer's math, they are always ready to help the students who had chosen a branch of math for independent study.

Our math program will continue to change to better fit the needs of the students of CHS.

After high school, many students will enter into an entirely different world. This is the business world. Here, at CHS, we have three fine teachers. These teachers ably teach the many business courses which are offered. Typing, shorthand, bookkeeping, and office practice are among the courses taught. These classes prepare us for the time when we will no longer be a part of high school, but a part of the business world.

The sciences are an important part of our world and increasing in importance daily. Biology, physics, physical science, chemistry, and aviation are an important part of our education. Many careers, from nursing to farming, require knowledge of science.

Many new discoveries are made every day and science is helping to improve and explore our world.

Soccer, volleyball, badminton, gymnastics, field hockey, basketball, softball, and bowling are some of the many activities covered in boy's and girl's physical education. They learn the skills needed for each activity, but, more important, they develop sportsmanship and team cooperation which lead to a well-rounded individual.

The junior high health classes had first aid for the first time and enjoyed practicing it on each other. The sophomores covered drugs, alcoholism, good grooming, and family life besides their thirty hours of driver education.

History is a required course for every year of high school. By studying history, we are able to see how our way of life and government have come about to what they are today. We also learn how to make our nation better for the future by studying past mistakes.

Junior High students study basic American history, geography, and Civics. The Senior High students study more advanced American history besides world history. This year, the seniors had a choice of psychology, sociology, economics, and government.

History is essential to the students so they have an understanding of the past, present, and future. It gives us a source of reference for the problems which we encounter today. "He who forgets the past is condemned to relive it."

Creativity is an important quality needed for art. This year, with the semester courses, the art classes became more specialized. Ceramics, sculpture, and drawing were some of the courses. Some of the senior art students, enrolled in independent study, painted murals on the walls of the theater. Art gives the students a chance to express themselves and to improve their skills.

Music is another form of art. Here, one's feelings are used in playing an instrument or singing instead of being put on a piece of paper. Both the band and the chorus gave concerts during the year. A new aspect added to the music department was the semester class, music theory and history, where students were able to learn more about music.

In order to help students who need special assistance, Mrs. Forschler, Mrs. Molling, and Mrs. Wohlers teach the special education classes. Patience, understanding, and willingness are qualities needed by these teachers to help those in need of their services.

With the enrollment of our school increasing each year, there are more and more needs of the student which must be met.

Taking care of book work, chasing noisy students out of the library, cleaning scuff marks off the floor, and feeding over 800 starving students, are jobs performed by many individuals who devote much time and effort to improve our school by their special services.

The secretaries spend many hours typing letters, and taking care of any book work which involves the students or members of the faculty.

Sorting books and keeping magazines in order are two of the various jobs of the student librarians.

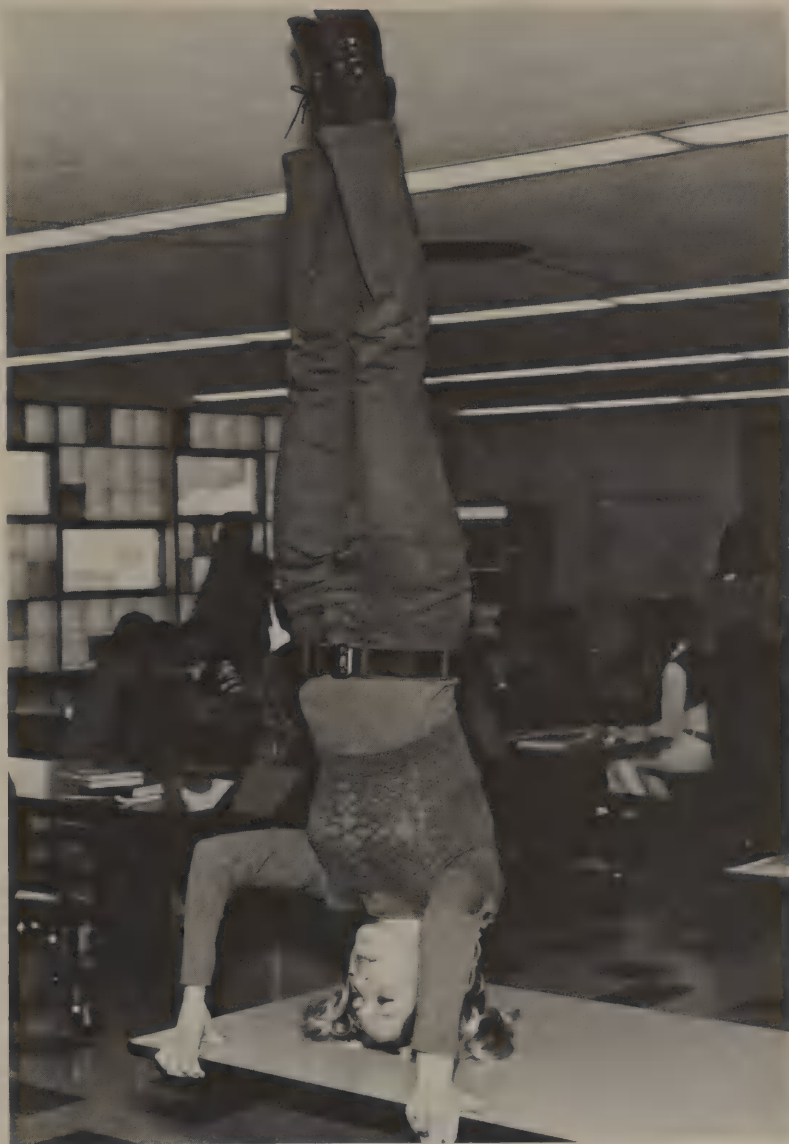

Many nights, our janitors could be seen sweeping up after a game or play. One could always rely upon one of them to find a ladder or put up the baskets when decorating for a dance.

Our six cooks could make anything from egg salad to pizza burgers to satisfy the appetites of all students.

The Audio-Visual Aides assist Mr. Pongratz as projectionists and also help in the production of the school paper.

These people should be commended for all the time and work they have put in to make Caledonia High School the best.

Terri,
Have fun

SENIORS

Four years ago this minute, we would have opened our yearbooks and thumbed past the seniors with mere traces of envy and admiration in the back of our minds. Today we hesitate to close the pages which enclose experiences within four years of our lives. We find ourselves reading memories into the faces of our friends in this book. Memories of tears and laughter, of well shared experiences, of trust. So often we depended upon all of these individuals. So often they gave their help.

Four years ago the freshman class could only build expectations upon dreams. Three years ago, as sophomores, times occurred when everything could be thrown into the air and easily forgotten. As juniors, responsibility became a necessity. Decisions had to be made. Prom was the big activity, and consumed much time. Yet everything pulled through as it always had in junior years gone by. The senior year has come, but not as easily as had been expected. Reality has outdone the once-lived dreams. Life itself was learned. Signs of maturity developed and expanded throughout the senior class.

Graduation is more than just a wish, it is upon us. The dreams have changed into reality.

So now when the book is closed, seniors no longer sit back and dream of how "next year is going to be better." Instead, they will look back with appreciation of how they have learned to better themselves.

GIRL & BOY STATERS

In June, as Caledonia's Girl Stater, Ellen Thimmesch traveled to St. Paul for a week's stay at St. Catherine's College. During the week, elections were held for city, county, and state offices. Several educational assemblies were held. Bob Ryan was one of the best received speakers.

Bruce Bulman and Mike Smerud, chosen as Boy Staters, attended assemblies and mock caucuses at the college of Gustavus Adolphus located in St. Peter. Girl and Boy State—a worthwhile experience.

ACTIVITIES AND ORGANIZATIONS

STUDENT COUNCIL

Last spring, two new faces appeared at the head of the Student Council conference table. Doug Wiegrefe, president, and Greg Schultz, vice president were unopposed in their bids for these two elective offices. Chris Mallory, incumbent secretary-treasurer, won a second term.

Along with regular traditional activities such as Homecoming, the new, enlarged Council also planned and participated in a variety of other events. Some of the plans and projects upon which the Student Council acted were a talent show and refuse collection centers, plus transportation of the reusable materials to recycling plants.

Another hopeful step was taken when an invitation was sent to district schools enabling them to discuss mutual problems between the schools themselves.

Student Council Officers and Advisors: Mr. Moen, C. Mallory, Sec. Treas., D. Wiegrefe, Pres., G. Schultz, Vice Pres., Mr. Welper.

Student Council: Row 1: N. Albert, D. Nelson, T. Henke, P. Drogemuller, M. Lange. Row 2: D. Schultz, R. McCormick, R. Denstad, S. Erwin, N. Burg, S. Schellsmidt.

Thursday evening, the Homecoming festivities began with the ceremonial lighting of the bonfire and the announcement of the queen and king. Chris Oseth and Rick Nelson reigned over the three day event. Their court included: Linda Wiebke and Tom Stark, Becky Johnson and John Conway, Sue Nelson and Mark Lange, and Carmen Schulze and Paul Richards. The pep band provided the music while the coaches gave speeches. The cheerleaders led the crowd in cheers, and also presented the football team with seven cakes spelling out VICTORY.

As the smoke lifted from Thursday's activities, Friday was upon us with all the excitement of the parade and game. The parade began at two-thirty complete with bands, floats, and clowns. The sophomore class won the float contest with "Happiness is a Tame Tiger." That night, the cheerleaders led a snake dance to the field where the Warriors took on the Peterson Tigers. CHS came away with a smashing 67-6 victory.

The excitement reached its peak on Saturday with the Homecoming dance. The Grand March was led by the royalty and their attendants. The gym was decorated around the theme "Love is a Gentle Smile Upon the Lips of Beauty."

LIFE WITH FATHER

Father and Mother Day discuss their financial problems.

The Junior Class Play took on a humorous aspect. Roars of laughter took hold at both performances. "Life With Father," a Broadway production by Howard Lindsay and Russel Crouse, portrayed life on Madison Avenue in the 1880's.

It's a cliché, but still valid, that what makes a play memorable after its production is its characters. To many playgoers, Father Day, played by Preston Drogemuller, was real. He may have reminded them of Father Days in their own households. Mother Day, Joy Sheehan, represented to them the feminine head of the household, whose devotion to her husband and children was equalled by her ignorance of finance.

CASE

The stage is set, the makeup is on, the curtains are drawn, someone announces, "Ten minutes to curtain." There is a sudden scurry to find a book and take one last look at all those lines.

This was the scene the evenings of November 11 and 12, when the senior class presented Bel Kaufman's, "Up the Down Staircase."

The action takes place in Calvin Coolidge High School in New York City. The play relates the story of a young English teacher, Sylvia Barrett, in her first year of teaching. The action centers around Miss Barrett's efforts to win the trust of her students while trying to battle the administration that doesn't care about the individual. She almost gives up when one of her students attempts suicide. But, she stays and proves to her students that English can be interesting and that a teacher can be human. As the play closes, one sees that she has even managed to humanize the administration.

Queen Dana and King Mike.

On May 15, 1971, fifty-four couples were caught up in the enchantment of prom and The Court of the Crimson King. Upon entering over the antiquated drawbridge, the medieval courtyard and sparkling fountain caught the eye of all the guests.

Then came the moment everyone had been waiting for—the announcement of the 1971 queen and king, Dana Hayes and Mike Smerud. They were crowned by last year's royalty, Sandy Schiltz and Fred Palen. After the crowning, the new royalty led the Grand March. Following them was their court, Linda Wiebke and Tom Stark; Sue Nelson and John Conway; Becky Johnson and Dave Brown; and Carmen Schulze and Mark Lange.

Refreshments were served from the gazebo by the court attendants—Jackie St. Mary, Barb Ryan, Bob Link, and Gary Birkeland.

Music was provided by the "Flesh and Spirit." Later, "Today's Tomorrow" sped up the dancing with some modern music.

With this, the prom was over and The Court of the Crimson King existed only as a memory in the minds of those who attended. "But we will remember, long after Saturday's gone." Dory Previn and Fred Karlin.

BAND

This year once again proved to be most successful for the Caledonia bands and their directors, David Earp and Alex Vaver.

The concert band's trip to Milwaukee in the spring of 1971 started things moving. The marching season followed with many hours of practice. The band competed in many parades, including the LaCrescent Apple Festival, the La-Crosse Oktoberfest, and the Blooming Prairie Petunia Days.

With the start of the new school year, the band stepped up its pace and its practice for such events as homecoming, the Christmas concert, Pop's Concert, and Spring Concert. Contests, both large group and solo and ensemble, also took up much practice time for the band students.

Debbie Bunge and Carol Eikens attended the Minnesota All-State Band Camp held for five days in August at Bemidji State College.

Music, a very large and important part of our curriculum, is a great asset, not only to the participants, but to our school as a whole.

ACCESSORY PERSONNEL

A band is more than a group of people playing instruments. It also includes the banner and flag bearers, the majorettes, and the drill team.

The banner and flag bearers identify our bands and show our accomplishments. These seem trivial to some, but without them, a band would have no identity or pride.

During the summer, the majorettes attended camp and brought back new routines. Through long hours of practice, these girls learned routines for the band's marching songs.

The drill team members also attended a clinic during the fall. Here, they learned new ideas for the routines they performed during half time at basketball games.

At the beginning of summer, there was a new addition to the Junior High Band. A drill team was added. They also displayed their abilities and ably led the Band.

CHORUS

The word chorus comes from the Greek choros, the name for a group of unison singers who took part in dramas. Senior high mixed chorus members may not have participated in any dramas, but plenty of other activities kept them busy during the past year. Under the direction of Mr. Gary McKercher, choir members displayed enthusiasm in a musical form at concerts and contests.

Effort, combined with expanding diaphragms, spacious throats, and vigorous exercising, produced vivid chords that comprised various "sounds of music".

The Jr. High choirs combined their young, inexperienced voices to produce clear-toned, youthful music. With practice making perfection, the young voices at CHS during the year proved to be off to a successful start.

Girls' Glee Club demonstrated the capabilities of a totally feministic musical combination the past year. From the soprano's high note to the alto's low, this division of the choir section helped to complete CHS's music department.

SPANISH CLUB

The Spanish Club, in its second year, is here to stay. Though still a young organization, it boasts over 40 members. Any student enrolled in a Spanish class is eligible to join.

The officers elected for the year are as follows: Nancy Albert, President; Susan Steffan, Vice President; and Mary McCarthy, Secretary. Mrs. Whitehill ably advises the organization.

Throughout the year, various activities were planned. Games, skits, and scavenger hunts, all in Spanish, were enjoyed by all the members. The annual events, the Christmas party, where tacos were made and eaten, and the picnic at the end of the year, were also held.

This is a worthwhile organization in which the members can use what they have learned in class to have fun. Many Spanish students enjoy the activities of this organization.

Officers: S. Steffen, Vice Pres.; M. McCarthy, Sec.-Treas. Mrs. Whitehill, Advisor; N. Albert, Pres.

FHA

Through action, growth, development and achievement FHA girls advance toward a better knowledge of understanding their fellow man. Action during the year takes the form of charity work for the rest homes, caroling during holiday seasons, style shows, and group activities. Some of the girls also attend the district and state meetings where new developments in FHA are discussed. FHA does provide an opportunity for fun and involvement.

FFA

Future Farmers of America, with about forty members, is an organization for boys who are planning a career in agriculture. One of the activities this year was a corn drive to raise money for Camp Winnebago. The members also have many group activities which include skating parties and field trips. But we all know that the Caledonia FFA wouldn't be a success without the assistance of the advisor, Mr. Carlyn Kraabel.

SPEECH

The faculty of speech produces articulate sounds or words for the transmission of ideas. This mode of communication brings to an audience a mental conception of thought. The images portrayed vary constantly with forms of emotion: anger, joy, pity, horror, sorrow, humor, relief, courage, excitement, or restlessness. The speech participant conveys to the audience the author's awareness of a situation.

Ann Brady and Rita McCormick gave original oratory, while Debbie Lager and Georgene Davy gave non-original. Tony Grohman entered in discussion. Colleen McCormick was in extemporaneous speaking.

Jean Wiegrefe was in storytelling. In extemporaneous reading were Kathy Wagner in prose and Cindy Bush in poetry.

Connie Gerdes and Sandy Schiltz were in serious interpretation and Charles Lee and Pat Burg were in humorous.

These sub-district winners then went to the district contest. From here, Connie Gerdes, Colleen McCormick, Pat Burg, and Jean Wiegrefe went on to Regional. From Regional, Connie Gerdes advanced to State.

All speech participants, either winner or loser, gained a knowledge of experience through action, learning that literary sound can be spoken distinctly and expressively.

District Speech Winners—C. Gerdes, P. Burg, J. Wiegrefe, C. McCormick.

Sub-District Speech Winners—Row 1: R. McCormick, D. Lager, K. Wagner, G. Davy, P. Burg, C. McCormick. Row 2: C. Gerdes, S. Schiltz, T. Grohman, A. Brady, J. Wiegrefe, C. Bush, Mrs. Simons.

DEBATE

Resolved: that the jury system should be significantly changed.

This topic was debated during the late fall and winter months. Charles Lee and John Smith debated on the affirmative side. Some of their arguments were based on the large backlog of cases in the courts and why this backlog exists. They also argued that the jury didn't usually represent a cross-section of the people.

On the negative side, Pat McCormick and Jean Wiegrefe argued their case. They argued that there was no need for fundamental changes in the jury system. They also debated that the main problem is not in the system, but in the administration.

These students learned the importance of public speaking and listening. Valuable experience was gained in the organization of thoughts and ideas as well as in speaking.

Debate—Row 1: P. McCormick, R. McCormick. Row 2: J. Wiegrefe, J. Graf. Row 3: J. Smith, M. McCormick. Row 4: Mrs. Simons, C. Lee.

SMOKE SIGNAL

Staff—Row 1: T. Weichert, J. Briggs, C. Leary, A. McCarthy. Row 2: P. Richards, M. Smerud, J. Mitchell, S. Adams. Row 3: M. Meyer, L. O'Heron, R. Kosse, M. Bissen, B. Ryan, H. Doering.

Meeting inevitable deadlines was the major task of the members of the Smoke Signal Staff during the past year. Late assignments typed at the last minute led to a few unreadable words, providing the paper with unintended humor, and discouragement to editors Julie Dobbs and Kathy Schultdt. Nevertheless, under the supervision of Mrs. Ohl, the Smoke Signal continued to convey its journalistic message to readers.

Continuing with features that were developed last year, many new ones were added. Greg Schultz continued to express his political views in "Chess" and Dave Brown and Paul Richards wrote a sports column "Sports Unlimited." An editorial page extended viewpoints on various aspects of life.

The Smoke Signal dealt with local as well as world problems, striving particularly to please the reader and achieve its goal of expressing excellent journalism in a school paper.

Candid shots exhibited much of the humor in the halls of CHS, and group pictures introduced students and teachers.

Junior Editors Greg Schultz and Pat McCormick discuss plans for next year's Smoke Signal.

Staff—Row 1: D. Heiller, B. Laumb, S. Twite. Row 2: D. Brown, T. Denstad, D. Hayes, J. Kubitz. Row 3: C. Mallory, S. Beutler, C. Lee, K. Welch, C. Konkell, M. Meyer.

TOMAHAWK

A yearbook doesn't consist only of two covers with a number of pages between them. More important than this, it consists of many hardworking staff members and four editors putting much effort in endless hours to create a memory of one school year. A yearbook is a work of art that creates emotion. Only when finished is it finally appreciated.

Editors Judy Kubitz and Carmen Schulze have succeeded in planning, constructing, and producing another CHS masterpiece—the 1972 Tomahawk.

MAT MAIDS

During the past school year, a new organization, the Mat Maids, was added to our school. Fourteen girls were chosen by the wrestling coaches to help them with their many tasks. They were kept busy during their free hours addressing envelopes, typing, addressing and sorting newsletters and filling out the Warrior Mat Fund chart.

These girls worked at every dual meet selling mat squares to help pay for the new wrestling mat. They also worked at all of Caledonia's wrestling tournaments as runners, scorers, or timers.

A big load was taken off the coaches' minds knowing that there were fourteen willing girls they could always call on to do their odd jobs for them.

Mat Maids: J. Link, M. Jahn, C. Steele, S. Janikowski, P. Johnson, K. Klug, A. Augedahl, C. Nelson, B. Schuttemeier, D. Lapham, D. Schulze, D. Bunge, C. Thiele.

NATIONAL HONOR SOCIETY

The National Honor Society is made up of those students who strive for excellence. They are chosen on the basis of scholarship, leadership, service, and character. Each student maintains a "B" average or better and ranks in the top ten percent of his class. This year, twenty juniors and seniors were awarded membership. They joined seven seniors who had become members last year. This is a group that we can be proud of.

GRA

Basketball, softball, and volleyball tournaments, parties, games, and excitement—these make up the Caledonia G.R.A. Through these activities, the members grow emotionally and physically fit. Each year brings about special activities besides the regular ones. Initiation, a Christmas party, and Mother's Night, where both Mothers and daughters are involved in activity, are planned each year. Through G.R.A., one has an opportunity to compete with others, experience emotions, and gain self-knowledge.

GYMNASTICS

For the second year, the girls from the gymnastics team have brought home a first place title from Preston, Minnesota. Floor exercise, balance beam, horse, and the uneven bars were the areas participated in.

The girls on the team practice hard three nights a week in order to participate in gymnastic activities. It doesn't take just any type of girl to come through with this sport. One needs girls with great endurance and willingness to succeed.

This sport has only been introduced here a couple of years ago, but with the interest taken, our girls should go far.

PEP CLUB

The 1971-72 Pep Club boasted a very energetic 89 members, composed of freshmen through seniors. This spirited group was kept busy making signs to hand in the halls before meets and games. Their enthusiasm echoed throughout the gym promoting school spirit and good sportsmanship. The mascots and mat maids assisted the cheerleaders in cheering the Warriors on to unlimited victories.

LETTERMEN'S

Sophomore Lettermen: S. Beneke, G. Birkeland, J. Graf, R. Link, M. McCarthy, G. Moe, J. Rostvold, S. Schellschmidt, R. Schoh.

Under the direction of Mr. Percuoco, the Lettermen's Club plays an important part in promoting and sponsoring athletics in Caledonia. Above all, good sportsmanship is the main objective of the club. Programs and activities are set up to help raise money for the club's spring banquet and to assist in the payment of any new equipment.

The spring banquet is held to honor all outstanding athletes and all are recognized for their hard work and effort.

1971-72 marked the first year of a new activity at CHS—High Quiz Bowl. Television station WKBT, with the sponsorship of Viterbo College and First Federal Savings and Loan regularly broadcast High Quiz Bowl. This is patterned after the College Bowl of national fame and has representatives of area high schools meeting in battles of brain-power. It was monitored by Howard Fredricks.

The High Quiz Bowl team consisted of Doug Wiegrefe, David Brown, Preston Drogemuller and Mike Smerud. Alternates were Dan Thimmesch and Christine Konkel. The team was coached by Mrs. Anderson. The team won three times, beating Sparta 195-110; Lansing St. George 245-115; and Postville 190-155. CHS was then retired as undefeated champion, to return in the spring to compete against other undefeated teams.

CHEERLEADERS

While attending a summer camp sponsored by the National Cheerleader's Association, the cheerleaders realized that there was room for improvement. Mounts, routines, new cheers, definite movements, chants, and spirit were the points stressed. They showed enthusiasm by winning ribbons and the spirit stick. The knowledge acquired at camp brought many new changes. Also, the clinic helped the cheerleaders recognize the responsibility they must accept.

Besides practicing many hours, they sold bus tickets, made signs, planned pep fests, and held a money-making project. Our cheerleaders are constantly making efforts to improve themselves and to promote school spirit.

ATHLETICS

FOOTBALL

1971 turned out to be another successful year for Caledonia football as the Warriors finished the season with an 8-1 record and second place in the Root River Conference. The gridgers also were rated fourth in the Winona Daily News area football poll at the season's end.

Nonconference victories over Cochrane-Fountain City and Spring Valley got the Warriors off to a winning start. The victory streak was continued through the first four games before the Warriors lost to Rushford, the eventual champion. Caledonia closed out the season with two more victories to finish with their best record in 9 years.

The Warriors' offensive statistics were impressive as they gained over 2700 yards and scored 318 points. Tom

Stark was the leading rusher and also the leading scorer with 103 points. Defensively, the Warriors gave up only 46 points in nine games. Mark Lange led the defense with 87 solo tackles.

Preston Drogemuller, Bob Link, Bruce Bulman, Tom Stark, and Mark Lange were all first team all-conference selections. John Conway and Rick Nelson were named to the second team. In addition, Mark Lange and Tom Stark were both also All-Coulee Region selections.

With a number of letterman returning this fall, Coach Felix Percuoco's Warriors should be headed for another winning season.

CROSS COUNTRY

Caledonia's cross country harriers had another successful season in 1971. The Warriors captured their fourth straight District One championship and their second straight Root River Conference championship. They lost only twice during the regular season, both times to a tough Waukon squad. La Crescent provided Caledonia with its toughest competition in the district. The Warriors tied the Lancers once and beat them once in triangulars, beat them by three points in the conference meet, and edged them by a single point for the district title. Caledonia placed third in the Austin Invitational.

George Von Arx was the Warriors' top individual runner. George went unbeaten in dual and triangular meets and was also the individual conference and district champion. He placed second in both the Austin and Decorah invitational and was Caledonia's top finisher in the Region One meet.

The Warriors finished the season by placing eleventh in the Region One meet at Owatonna. With returning senior lettermen, Nick Burg and Jeff Rostvold to lead the pack, Coach Welper's Warriors will be going after another winning season this fall.

Top 7—T. Huff, N. Burg, F. Kruckow, G. VonArx, J. Rostvold, A. Hirschuber, J. Rostvold.

TRACK

Once again the Warrior thinclads attained championship status, as they gained their third consecutive Root River championship.

The conference crown enlightened a somewhat mediocre season for the Warriors. They managed only two victories in the eight meets that they participated in. The tracksters dualed strong competition as they ran against the likes of Waukon, New Hampton, and Decorah, all of which are larger schools.

Caledonia revealed some fine individual talent. George Von Arx, most notably, set a new school record for the two-mile run at 10:19.5. George also went undefeated in that event. Paul Koenig and Charlie Beitlich advanced to the region one meet at Albert Lea, with Charlie placing fifth in the mile run.

Again, with the lack of facilities, training was difficult, but the boys worked hard and were determined to gain a championship. Next year, with Von Arx returning to lead the team, another championship may be in sight.

Track—Row 1: Coach Percuoco, B. Schroeder, B. Link, J. Rostvold, C. Beitlich, P. Schutz, T. Seekins, P. Koenig, T. Albert, L. Janikowski, P. Richards, N. Burg, R. Clark. Row 2: Coach Ohl, P. A Squad Basketball: N. Burg, S. Schieber, T. Stark, G. Birkeland, R. Rusert, A. Klein, R. McManimon, R. Nelson, F. Kruckow, G. VonArx, J. Conway, T. Gensmer, D. Burmester, P. Richards.

BASKETBALL

Caledonia tied for third place in the Root River Conference behind the co-champions, Rushford and Houston.

It was a difficult year for the Warriors. Absence of a big man made it increasingly difficult to rebound. Near the end of the season, rebounding improved. The Warriors fast break began to jell and opponents found themselves on the losing end of the score.

Caledonia finished winning five straight before succumbing to Houston in District play. During that winning streak, Caledonia defeated the eventual District Champion, Harmony, 64-63, on a last second lay-up by Tom Stark. Rick Nelson turned out the best single game performance with 29 points and 27 rebounds against Lewiston in the regular season finale.

Even though the Warriors had a losing season, they created many anxious and exciting moments for their fans.

WRESTLING

Pushed onward to victory by head coach, Leo Simon, the Warrior matmen set a new state record of dual meet wins—63.

The Warrior grapplers finished first in the Winona, Crestwood, and Caledonia invitationals. After winning their fifth consecutive District tournament, they went on to finish second in the Regional tournament and tenth in the State.

Mark Lange, Caledonia's outstanding wrestler, completed his high school wrestling career with a record of 149-11-1. This included State Champion at 138 in 1970, runner-up at 145 in 1971, and State Champion at 155 in 1972.

Graduating this year from the starting team were Dan Thimmesch at 119, Ron Kuecker at 138, Gregg Meiners, who was injured going into the tournaments, at 145, Mark Lange at 155, Bruce Bulman, another State tournament entrant at 167, and heavyweight, Allen Whitesitt.

During the season, the Warriors gained a total of 515 team points and gave up 92.

The rest of the "A" squad and the undefeated "B" squad will be returning to make up another strong team next year.

BOY'S GOLF

Mr. Huff and his boy's golf team were involved in 13 meets. Through hard work and effort, on the part of the team and Mr. Huff, their coach, Caledonia tied for 2nd in the conference.

Charles Lee, Caledonia's outstanding golfer, went to the Regional.

Golf is probably the least recognized and least understood of all the sports at CHS, but through the time and effort of these interested boys, and their coach, golf will grow a great deal in popularity.

We all hope that next year will be brighter for Mrs. Peterson and her interested girls.

Caledonia, defending Root River Conference and District 1 champions, could manage only a 7-4 record in the 1971 baseball season. Coach Bob Stark's Warriors lost three conference games and finished a disappointing third in the league standings. Lewiston knocked Caledonia out of District 1 competition with a 7-6 victory over the Warriors on Caledonia's home field.

Bill Albert led the Warriors in hitting with a .382 average. Caledonia had three other .300 hitters, juniors Mark Lange and Tom Stark and senior Mick Sheehan. Most of the pitching was done by Bob Collieran and John Conway.

The Warriors returned eight lettermen for the 1972 season, with competition for the conference title again expected to be tough.

UNDERCLASSMEN

JUNIORS

When the end of the Junior year comes, most people will say, "Whew, only one year left!" But, when one starts looking back on it, many fond memories come to mind. Remembrances of Homecoming, dances, sports events that were won and lost, Prom and many other activities will make one think, "It wasn't such a bad year after all."

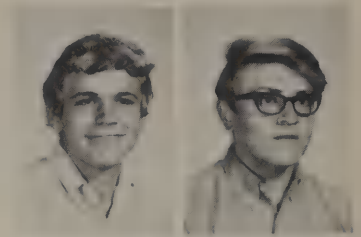

Besides the major events of the year, there were the amusing anecdotes that happened in class, such as the time the teacher hit his ruler on a desk and broke it. Sometimes things that weren't too funny at the time, turned out to be the most humorous of all, such as the bomb scare, or finding out the results of a very difficult test. A combination of these things is what makes one look back on his Junior year with a feeling of fondness.

SOPHOMORES

A Sophomore . . .

. . . is one who shows how ingenious he is by thinking of a theme for a homecoming float that wins first place in the parade.

. . . is one who is involved and does well in band, sports, music, or any other extracurricular activity he pursues.

. . . is one who struggles with a geometry proof and doesn't give up until it's solved.

. . . is one who loves dissecting a worm or frog and has trouble learning the formula for photosynthesis and respiration in biology.

. . . is one who works all night on a take-home history test and then fails.

. . . is one who, with the rest of his class, shows his enthusiasm and school spirit by winning the spirit tomahawk at many of the pep fests.

FRESHMEN

The freshman year marks the end of Junior High and the beginning of a forth-coming Senior High. This year, the largest class, numbering 170, accepted the challenges and responsibilities as freshmen and started working hard right at the beginning of the year. Encouraging and painstaking classes for the freshmen included Civics, English, and Algebra. Many of these ninth-graders also found time for extra-curricular activities such as sports, band, and chorus. Freshmen can be seen almost anywhere because there are so many of them, or maybe it's because they are so active.

EIGHTH GRADE

The eighth graders spent most of their second year of junior high going from the high school to Loretto and the IGA building. During the year, the eighth graders enjoyed a roller skating party at La Crescent. Selling candy was the money-making project chosen and it proved to be very successful.

The eighth grade girls displayed their talents by trying their hand at cooking and the boys were again able to enjoy another year of shop.

SEVENTH GRADE

The seventh graders spent the first part of the year looking for their classes and running to their rooms for fear of being late.

The boys were enjoying shop classes while the girls tried to sew a dress or skirt in Home Economics class.

For them, this year was a new beginning—a time to prepare them for the days that lie ahead.

1951 MR. VICTOR RUPP 1972

MR. RUPP—1951

Mr. and Mrs. Rupp, David, Henry, Sylvia, Sue—1951

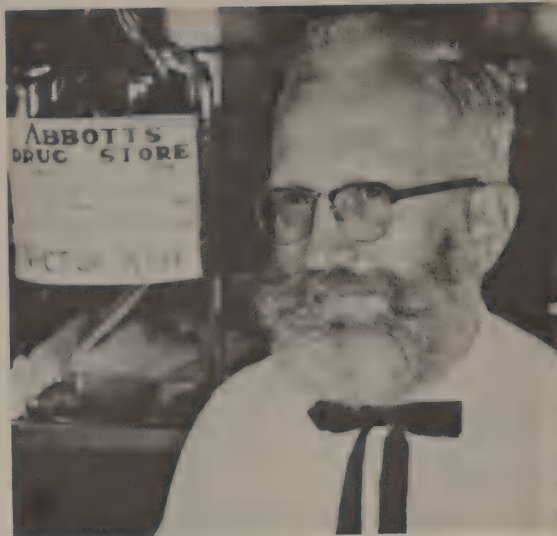

Victor H. Rupp

Mr. Richardson, Mr. Stark, Mr. Rupp, Mr. Leander, Mr. Rolfing, Mr. Cowles, Mr. Walsh. Spring—1953.

Mr. Rupp came to Caledonia in 1951 as superintendent and will be retiring from his busy post at the end of this school year. Twenty-one years in a community and school gives many memories. With a few pictures, we'll recall but a portion of these.

Student-faculty basketball games, as the one pictured on this page, will be a memory. Also to be a memory will be the many athletic events, music groups, and academic accomplishments.

Memories will also include the Caledonia Centennial in 1954. In the summer of 1967, the Rupps went on a safari to Africa. Their slides and trophies of African wildlife have been enjoyed by many students and their parents.

The Rupp family members are grown now and are busy with their own endeavors. David is a missionary in Japan, Sue is a nurse and housewife, Sylvia is a teacher and mother, and Henry is a doctor interning in Michigan.

The Rupps plan to fly to Japan this summer and in the fall start a half year tour around the world. This indicates that they are not retiring, but, as they said, starting a "new pace of living."

We at CHS say "THANK YOU" to Mr. Rupp for everything and wish the Rupps the very best in their leisure years.
